

PORT MACQUARIE
PERFORMING ARTS

MID YEAR CONCERT HANDBOOK 2022

Dear Parents and Students,

Port Macquarie Performing Arts would like to celebrate a wonderful first semester and show how hard our students are working in class with a Mid Year Showcase on Sunday 20th June at the GLASSHOUSE. There are many reasons why we do this. All students have worked incredibly hard over the 6 months in classes, it is important that everyone has the opportunity to perform and enjoy the process of working as a team. We are very lucky to have a beautiful theatre to be able to do this, which makes it all the more exciting. This year we will be having two shows the first starting at 2pm and the second at 4pm. Thank you for all your support.

A big part of dance training is learning through performance. Although performance opportunities can help prepare some students for a possible career in dance, they also contribute to children's success in non-dance activities. The performing experience helps build self-esteem and self-confidence and can result in better in-school presentations, improved social skills, and strong interview skills for future university or job opportunities.

Students, It is also very important for your self-esteem to have the chance to show your parents/ carers and friends what you have been working towards throughout the past two terms. Working towards a performance is a long process but an integral part of a dancer's life as a performer. The process of rehearsal, costume, production and show is a measure of patience, discipline & hard work but most of all joy when you finally get to dance and perform for an audience.

Some of you may have already had the privilege of performing on a stage at eisteddfods etc , but for some this will be your first time. It is an exciting time and it is important that you all realise, this is a great opportunity for you to shine as a person, a dancer and a team. It is also a great chance for us as a new school to present ourselves to the community in a professional theatre and atmosphere. I know you will all do your best and I hope you enjoy every moment.

Dedication to the Mid Year Showcase commitments are the responsibility of both students and their parents. We've created this handbook in an effort to clarify what we expect from you in terms of commitments and responsibility to the annual Mid Year Showcase, the school, and other students and parents.

Mid Year Showcase 2022

Part 1A : The Commitment

Important Mid Year Showcase Dates

By allowing your child to participate in the PMPA Dance Mid Year Showcase, you commit yourself and/or your child to the following dates and events.

Tickets on sale at the Glasshouse 6th June

Compulsory Rehearsal at PMPA studio 19th June

Mid Year Showcase at the Glasshouse 26th June

Home Study

To ensure that the students feel confident about their performance, we ask parents and guardians to encourage them to rehearse their Mid Year Showcase choreography on a regular basis. A copy of your child's dance music is available; just email us for a copy.

At various points throughout the choreography, we invite parents to videotape choreography at the end of class to assist the students when practising at home, just check with your child's teacher before the start of class.

Part 1b : Volunteer Information

Anyone interested in volunteering to help backstage is welcome and much appreciated. All volunteers must have a valid WWCC. A volunteer form is required and is included in this handbook. There will be an orientation for all volunteers, who must abide by the policies set forth by PMPA. The Mid Year Showcase day is a hectic experience and all volunteers must work in a cooperative manner at all times. Our backstage managers work very hard to put an efficient system in place, and we ask that all volunteers rely on their experience and follow their instructions.

All volunteers will receive an identification badge at the rehearsal, which must be worn in the theatre at all times. Please do not bring guests, including children, with you while you are volunteering. You will be able to see the show as it happens on the monitors in the theatre backstage area.

Costume carers/Class mothers are needed for each class to supervise the costumes and keep them safe/clean and accounted for. They are responsible for making sure that each child is in the proper costume, has the proper accessories and shoes. We need volunteers for this role, so please let us know if you can help.

If there are too many volunteers for one class, some may be asked to work with children from another class. Volunteers are not allowed to enter the stage area. Because there will be live microphones backstage, only dance teachers and assistants are allowed in the wings.

WE NEED YOU!!!

Please email angela@pmperformingarts.com if you can help by being a costume carer!

Costume carers from each group will take all the costumes clearly labeled with your child's name. Please ensure the costume and all accessories are returned to the same coat hanger and returned to the mum concerned when your child has finished. Could costume carers please check lists and ensure all students dancing at the Eisteddfod groups has a costume. There have been changes in numbers in many groups, please check names on list given. Thank you to our costume carers for helping with our costumes. Instructions will be given by our fabulous costume team.

Volunteer Preference Form

PMPA relies on the assistance of many dedicated volunteers to provide a high-quality performance experience for your child(ren). The children benefit from this volunteer effort, so we hope that you will become an enthusiastic member of our volunteer pool.

Most jobs require limited commitment at a specific time during the performance. There are many positions available for men as well as women. We encourage every family to volunteer and welcome any contribution you are willing to make.

Please Email angela@pmperformingarts.com with your Volunteer Preference 1, 2 or 3

1) Show 1 or Show 2 Minder: Ensure that children are safe and accounted for when not onstage. Check for proper attire and escort children to and from the stage for their performances. You will be required for one show of the performance and can watch the other show.

2) Security: Check dancers in as they arrive at the theatre and release them when they are picked up. Ensure that only authorized personnel volunteers are backstage and in the dressing rooms.

3) Costume Carer: Care for the costumes and take them to and from events, and make sure every group is accounted for.

PART 2: Costumes

We spend many hours selecting the costumes for each class. They are always age-appropriate and of the highest quality possible. Students who attend class once a week will need one costume; all other students will need one costume for each style they train in. Costumes include all accessories (hats, gloves, etc.), but not tights or shoes. NOTE: No jewellery or underwear is to be worn with costumes.

Fees and Payment

Costumes will be hired and Term 2 invoices will include costs for costume hire for the Mid Year Showcase . No refunds will be made if a parent or guardian withdraws a child from a class after costumes have been ordered (in week 1), prior to the Mid Year Showcase. Parent helpers are required to take care of all costumes. They are called 'Costume Carers'. It is their responsibility to bring the costumes to the Mid Year Showcase s and take them home after. Costumes will be kept together in groups. It is the students responsibility to make sure every aspect of the costume is taken care of and returned to the costume carer, if not, full payment of \$75 for the costume will be required.

Sizing

Costume measuring begins during the first week of term, during scheduled class times. All children will be measured in order to determine their proper costume size(s).

Alterations

Although rare, alterations are sometimes needed after the costumes have been distributed and are the responsibility of the school, though any assistance you can offer will be greatly appreciated.

Costume care

Parent carers please do not wash the costumes in machines- take care and hand wash only. We do not recommend using a traditional iron when pressing costumes. Silks can burn, sequins can melt, and fabric colours may change. Please use only a steam iron, if completely necessary. Iron costumes with caution because of glues that may have been used to attach appliqués and/or trim. Please place costumes in a costume bag for travel.

Costume racks

A wheeled clothing rack is a smart investment if your child has several costumes. It keeps the costumes organised, prevents wrinkles, and provides some privacy during costume changes. When you arrive at the Mid Year Showcase, you will need to collect your child's costume from the parent carers. Hang costumes on the rack in the order they will be needed during the show.

Quick costume changes

During the Mid Year Showcase, some students may have quick costume changes. A special team of parents will assist these students, whose costumes and accessories will be placed in the backstage area.

Costume cover-ups

Students must wear a cover-up when in costume but not performing. A bathrobe or cape work best. The cover-up helps keep the muscles warm and prevents costumes from becoming soiled.

Bring at least one extra pair of tights of each style. Also bring extra hair gel, hairnets, bobby pins, and hairspray.

Backstage

Family members and friends are not permitted backstage or in the dressing rooms during rehearsals or the Mid Year Showcase, including during intermission and before and after the show. There is a lot of backstage activity in a limited space, and dressing rooms are private areas. Please remind your family and guests to be respectful of these areas. Those who wish to greet performers after the show or present flowers may do so at the stage door.

Props

All props are the property of PMPA and are to be returned to the backstage prop master after the performance. Props include such items as canes, parasols, beach balls, etc.

Audience etiquette

Enthusiastic applause is encouraged; however, it is never appropriate to scream out a child's name or yell in any way.

Children should not bring handheld electronic games or other devices with sounds and/or lights that could be a distraction for other audience members. If you think they cannot make it through the entire performance, please leave them at home.

Because we present a professional performance, we ask that everyone remain seated during the entire performance. If you do leave the auditorium during the show you will be allowed back into the auditorium only between dances. This rule is strictly enforced; please do not create a disturbance with the auditorium ushers in regard to this policy.

Children must remain seated for the entire performance. If you think they will have a hard time remaining seated during the performance, please do not bring them to the Mid Year Showcase . Allowing children to run around or otherwise disrupt the performance is not fair to other audience members.

Parents who bring infants to the performance should quickly exit the auditorium if the infant begins to cry or create a distraction for the audience. The glasshouse has a crying room upstairs.

The use of video or flash photography is strictly prohibited during the concert. It is important that you pass this policy on to your Mid Year Showcase guests. The event will be professionally videoed and you will be able to purchase copies.

The Mid Year Showcase is for Everyone

When everyone puts the children first, the Mid Year Showcase experience is one they'll never forget. We appreciate your compliance with the rules and guidelines in this handbook and hope that PMPA Mid Year Showcase will be as fun and exciting for you as it is for all of our staff. Thank you for working with us to create a memorable educational experience through performance for all of our students.
